

PARKING RULES AND REGULATIONS

South Parking Lot Including buildings 1057, 1061, 1065 & 1069

1. Westmore Apartments has assigned one (1) parking space per apartment in the buildings listed above. Sorry, no additional permits are available due to limited parking.
2. The assigned parking permit hanger must be displayed on the vehicle rearview mirror at all times. All motorcycles must be registered with the leasing office and match your permit number.
3. You must be parked in your assigned parking space whenever you are on the property. You may not park in another assigned parking space at any time even with the approval of the resident to which that space is assigned.
4. You may use your assigned parking permit hanger on any vehicle.
5. After a snowstorm, all vehicles must be moved from their existing parking stalls to a cleared parking stall within 12 hours of the storm's end (2" of snow or more) so that we may properly clean all of the lots. Please watch for plow trucks and move your vehicle to an unassigned stall after each snowfall to expedite snow removal. Keep in mind, our plows work sideways, not stall by stall. If your vehicle is not cleaned and relocated within 24 hours after each snowfall, Westmore will relocate your vehicle or your guests' vehicle to a cleared area **without prior notice**. A fee of \$25.00 will be charged to your account.
6. If an unknown vehicle is parked in your assigned space, you are responsible for calling the towing company directly. Our towing company is Midnight Services and their telephone number is 630-543-2367. You will be required to provide them the make, model and license plate number of the vehicle parked in your assigned spot.
7. If you lose your assigned parking permit hanger you may acquire a second permit for \$50.00. All assigned parking permit hangers must be returned when you vacate your apartment. Any permits not returned will result in a \$50.00 charge.
8. All cars must have current license plates and city stickers. Cars without plates or with expired plates may be towed at the owner's expense.
9. At no time may any motor vehicle park, stop or stand in areas that are designated fire lanes, or no-parking zones. At no time may a motor vehicle park, stop, stand or travel upon sidewalks, grass, or any other areas meant for non-vehicular use.
10. All cars must be parked between the yellow lines. Cars parked over yellow lines, or "double-parked," will be towed.
11. No motor vehicle may be stored or left in a non-operational condition in the parking areas. This includes vehicles with flat tires. Any motor vehicle driven less frequently than three times per week shall be considered "stored" and may not be left in the Westmore parking area.
12. If you plan on being out of town for two (2) or more consecutive days please park in the "Visitors' Parking" area located on Highland Road.
13. No major repair work may be done in the parking area. Emergency repair only.
14. No tenant shall store or park any trailers, boats, campers, or other recreational vehicles in parking areas.
