## Westmore News & Notes

### Happy Father's Day

Westmore would like to wish all of our  
moms on the property a very happy Father's  
Day! Enjoy yourselves!

### Approaching the Staff After-Hours

We maintain extended business hours to  
accommodate all of our residents' busy  
schedules and we are even open seven  
days a week!

If you see a staff member on the property  
before or after business hours, please do not  
ask them to get a package for you, discuss  
your lease terms or try to pay your rent.  
Please respect the fact that the staff member  
is either off of work for the day, or working  
late to accomplish other tasks.

### Leaving Town or Planning a Vacation?

Please take a minute to stop by the office  
to notify our staff. It's important that we have  
record of your absence should there be any  
sort of emergency or need to reach you  
regarding anything related to Westmore. It's  
also important for us to remind you of our  
vehicle parking policy should you decide to  
leave your car on the property. So enjoy  
your time away, but inform us before you do!

### Exterminator

The Westmore exterminator is on the  
property the second Monday of every month.  
They will be here on June 13. Please call the  
office to schedule an appointment if you  
require extermination services.

## JUNE RENT GIVEAWAY

# \$100 RENT RAFFLE!

Stop in the Leasing Office to pay your June rent from now until June 5 and fill out an entry form for your chance to win a coupon for \$100 off your next month's rent! Winner will be notified on June 7. Good luck!

# Property Inspection Success!

We want to thank everyone at Westmore for participating in the first part of our annual property inspections. As Property Manager, I gained in-depth knowledge of the structure of our apartments and the way things work at this community.

During these inspections, we looked out for ways to improve your homes, checked for structural problems with the buildings, and kept an eye out for policy and procedure violations that needed to be addressed. I found several apartments with

dripping faucets, leaks in the ceilings, mildew around the air conditioner units, windows and patio doors, and several apartments with inactive smoke detectors. We were able to fix these problems right away to make your homes safer and healthier.

I will begin conducting the annual apartment inspections again in November. Thank you again for your help and patience during this process!

Your Property Manger, April

# Welcome Shantel!

Hello, my name is Shantel Jones and I am the newest member to the team at Westmore Apartments! I come from a pretty small family. I am the oldest of two children and I was raised in Bellwood, Illinois. I have four nieces, whom I adore! My experience includes working with several Chicago and suburban properties. I am very excited to be a part of the Westmore family, and I would like to welcome each of you to stop by the office and meet me!

Sincerely, Shantel

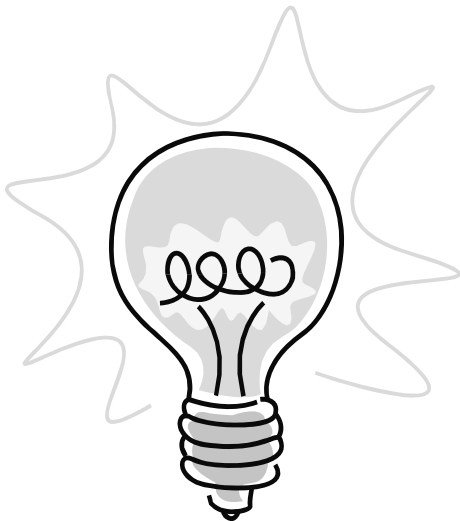

# Happy Hour On Hold Until September

During the summer months, Happy Hour will be put on hold (June through August). We will resume Happy Hour in September on the third Thursday of the month between 5:00pm and 6:00pm.

Happy Hour has an average attendance of 15 to 20 residents each month, which is a great turnout! We hope that when we start this event again, you will be able to participate and meet some of your wonderful neighbors. It is a great way to meet new friends and network.

Currently, we get together for drinks and appetizers at Gulliver's Pizza & Pub, but if you would like to suggest a new location to host our Happy Hours, please fee free to call the office and let us know!

# Energy Conservation at Westmore

With the rising cost of utilities such as electricity, gas and water, we'd like to ask that everyone at Westmore take an active role in conserving these natural resources. We have noticed that the lights in the basement and laundry rooms are not always shut off after each use.

Please do your part to conserve energy by turning off all light switches whenever you leave a room. You can also apply this practice in your apartments. Keeps lights, radios and televisions off if you are not in the room. By doing this, you will notice a huge difference in your next electric bill.

# WESTMORE POOL HOURS

## EVERY DAY!

### 10:00AM TO 8:00PM

### NO TAGS REQUIRED!

Please remember that all guests must be accompanied by a resident while at the Westmore pool. Similarly, children under the age of 10 must be accompanied by an adult at all times. The lifeguards are NOT babysitters! Any child over the age of 10 who is misbehaving will be sent home at the lifeguards discretion. And don't forget—Enjoy the summer, fun and sun!
